

13th INTERNATIONAL SOLAREX ISTANBUL SOLAR ENERGY AND TECHNOLOGIES FAIR FINAL REPORT

Solarex Istanbul Fair, which was held in the 9th and 10th Halls of Istanbul Expo Center between 10-12 June 2021, concluded with success.

Solarex Istanbul International Solar Energy and Technologies Fair, Turkey's first and only specialized fair in its field, successfully completed the organization by taking all measures in the shadow of the Covid-19 pandemic process that affected the world and our country. Foreign participants were not included due to the pandemic. It was an organization where 82 domestic participants participated and professionals met with a total of 6625 visitors.

The desire of the solar energy producers operating in Turkey to increase their quality, to become a brand, to meet new markets and the success of Voli Fair in specific fairs played a major role in the sector's taking care of the fair and the fair was held successfully.

Turkey; With its rapidly increasing population, advantageous geography, and the contribution of advantageous geography to exports, it continues to develop worldwide. One of the most important sectors taking action in our country is undoubtedly the solar energy sector. The developments, innovations and exemplary solidarity of the sector in the solar energy sector in recent years have been the factors that have positively affected the solar energy sector.

All members of the industry, including manufacturers, consumers, buyers, installers, domestic and foreign representatives, came together at the Solarex, the Solar Energy Fair.

We kindly present the report and statistical data related to the fair in the attachment for your information.

Regards,

Voli Fuar Hizmetleri A.Ş.

GENERAL PRESENTATION OF THE 13TH INTERNATIONAL SOLAREX ISTANBUL SOLAR ENERGY AND TECHNOLOGIES FAIR

ADDRESS BANK OF THE FAIR

Our team, which has entered a hard working period in order to successfully realize the Solar Energy Fair; At the same time, since we are a sectoral magazine publisher, it was not difficult to access information.

Our understanding of publishing, which embraces the entire industry with its magazines, has been our biggest supporter at the fair. Readers of our magazine were the primary visitors to our fair.

PROMOTION OF THE FAIR:

Some of the promotional activities of Solarex Istanbul Fair are as follows:

Numerous magazines, newspapers, televisions and websites were among the publications that supported the fair. The members of the sector in Turkey were reached through these publications.

In addition, advertisements for the fair were published in the most important magazines of the sector. Announcements were made to thousands of people by the relevant institutions, and news of the fair were featured on many websites and general - local media outlets.

A total of 300,000 fair invitations were distributed. 250,000 of this were distributed by Voli Fair activities and the rest in the form of customer invitations of the participants. Face-to-face marketing activities were carried out and invitations were sent to the participants.
